

Career Education

Business Technology - Management

The Associate of Applied Science in Business Technology degree is a two-year degree designed for students who do not plan to pursue a bachelor's degree and wish to prepare to directly enter the workforce.

Associate of Applied Science Business Technology - Management

Total Program = 60 Credit Hours

The fourth digit in the course number indicates the number of credit hours.

University Requirement - 1 or 3 hours

University Requirement

The 3-hour credit course is required for students who must take at least one remedial course. Students who are not required to take a remedial course may take the 3-hour credit course. In both situations, the courses (1-hour or 3-hour) count toward electives.
