

## Career Education

### Agriculture-TC

ASU-Beebe offers a two-year program of study leading to an Associate of Science degree. This program also offers students the flexibility of selecting a course of study that will lead to majors such as Agricultural Business, Agricultural Education, Agricultural Science, Animal Science, and Plant Science.

The program is designed to fit ASU-Jonesboro's curriculum or can be tailored to meet the requirements of other institutions to which students may be transferring. Employment opportunities in the field of agriculture are extremely broad. Career opportunities exist in agriculture business, industry, research, teaching, food processing, government, extension, and financial agencies and farming.

Technical certificates are available for those students who desire preparation for more immediate entry into the work force.

### Technical Certificate Agriculture

**Total Program = 31 Credit Hours**

*The fourth digit in the course number indicates the number of credit hours.*

### Core Requirements - 19 hours

#### Core Requirements
